86

Next Week

• We look at the AIM 65 — a single-board computer designed as a teaching and development aid.

• No matter how small your business there is software available to suit your needs. We start a new series taking a close look at the type of packages that might be of benefit.

• With the introduction of its disk drive, the Dragon becomes a more attractive proposition.

Your special offer binder order form will be with Issue 5.

Overseas readers: this special offer applies to readers in the U.K., Eire and Australia only.
