

**A SIDE: WENTWORTH WEST**

**B SIDE: WENTWORTH EAST**

Golf program designed for 48K only

It is an exact replica of all 18 holes of the famous Wentworth Championship Courses. It is designed for two players, each of which can play to his personal handicap 0-24. The program will produce the appropriate kind of shots.

**Loading instructions**

Set cassette recorder at  $\frac{3}{4}$  volume. Load "WEST" or "EAST" < enter > or load"" < enter > will load the program, then run < enter >

**Distances**

<b>IRON</b>	<b>DIST</b>	<b>WOOD</b>	<b>DIST</b>
2	205	1	280
3	190	2	260
4	175	3	240
5	160	4	220
6	145	5	200
7	130		
8	115	Putter	20
9	100		
10	85		

10 Iron = Sand Wedge

**These are max. distances, also random factor affect distance and direction.**

**Choices – No. of players 1 or 2**

**Handicaps 0 to 24**

**Hole No. 1 to 18; 0 = produces up-to-date score**

Each shot – Wood or iron (W/I); Number (Club); Strength (%): Shape of shot; Angle (see clock in bottom left of screen).

Putter – Enlarged green 100% from edge of green to hole.

To end program press 0 for hole number. Score card will be shown + total.

Normal golf rules apply: Water = one shot penalty

Out of bounds = Shot and distance

Ball must not leave screen (course) when shaping shots.
