

SPACE SEEKER

Invisible prizes hide in this sector of space. You are running against the clock to find it. All that lies in your way are the terrible Purple Space Bollards — avoid them at all cost! So take off on a mission that Capt. Kirk would think twice about and have fun.

GAME CONTROLS:

K — left
L — right
D — up
C — down

*BY SP MCNISH
BIG K, AUGUST 1984*

The objective of Space Seeker is to find the hidden prize shown by the arrows at the start of each frame. Avoid the bollards and the edge of the screen.
